

## DEMOCRATS GET ALL BUT HEARST

Chanler and the Balance of the Ticket Elected by a Narrow Margin.

### RESULTS IN OTHER STATES

DEMOCRATS MADE VERY GOOD SHOWING.

New York, Nov. 7.—At midnight tonight there was still doubt as to who is elected lieutenant governor of New York. Sixteen counties had not reported the official count at that hour, but on the face of the figures in hand at that hour the result seemed to favor Lewis Stuyvesant Chanler on the Democratic-Independence League ticket. Whatever the result may be, the figures will be close, and until complete official returns shall have been made by all the counties now missing, it will be impossible to do more than to guess at the winner. The total vote for the state so far as returned, including the city of Greater New York, for lieutenant governor is: Chanler 604,234; Bruce, 609,479.

It appears that outside of the candidates for governor and possibly for lieutenant governor, the Democratic ticket is elected. In Greater New York Chanler's majority over Bruce is 134,041, and this big lead Bruce must overcome in the up-state counties. Among the missing counties is West Chester, which gave Hughes 8,000 plurality.

Republican state headquarters while expressing the belief late tonight that Bruce would pull out ahead of Chanler, would give no figures. Chairman Woodruff said:

"On looking over returns from some forty-odd counties we found that Mr. Bruce has run ahead of Hughes by 600 votes, and I believe he is elected. At the present time I do not care to give my opinion regarding the rest of the ticket."

The Independence League headquarters claim that the whole ticket with the exception of the nominee for governor has been elected. At Democratic state headquarters no predictions or estimates were given out.

### BECKHAM WINS TOGA.

Governor of Kentucky Chosen to Succeed Senator McCleary.

Louisville, Ky., Nov. 7.—With but a few mountain counties to hear from, and these probably decreasing his lead, Governor Beckham has almost certainly won his fight against Senator McCleary for the nomination for the United States senatorship in yesterday's Democratic primaries. The governor's majority will be about 4,000. Samuel W. Hager was nominated for governor in the same primary by a majority of between 12,000 and 15,000. Although Senator McCleary carried Louisville by 7,287, Governor Beckham ran so well in the county that he overcame this lead and tonight has in the neighborhood of 400 to spare. The Republicans carried two congressmen, giving them a total of four in the lower house.

### KANSAS STILL UNCERTAIN.

Democrats Do Not Concede the Defeat of Ex-Senator Harris.

Topeka, Kas., Nov. 7.—At midnight the election of Governor E. W. McPherson, Republican, seems reasonably certain, although the Democratic committee still claims the state for William A. Harris by a plurality of 2,300. According to figures received by the Republican committee, ninety-seven counties out of 105 give Hoch a plurality of 4,150. The Democrats claim that their figures on the same counties give Harris a plurality of nearly 2,300 and that the official returns will give him over 2,000. The eight counties still missing are in the western part of the state. The Republican figures are partially confirmed by special press dispatches.

Marion county, Governor Hoch's home, was carried by Harris by a majority of 123 votes, while Douglas county, Colorado Harris' home, was carried by Governor Hoch by a majority of 123.

Aside from the head of the ticket, there is no question as to the election of the entire Republican ticket.

Big Democratic gains have been made in the lower house of the legislature, but that body will still be overwhelmingly Republican and a member of the dominating party will be elected United States senator to succeed A. W. Benson, who himself is a candidate for re-election and is considered one of the strongest candidates in the race. It is generally admitted that the senatorial race lies between Senator Benson, Congressman Charles Christie of the First district, and Joseph L. Bristow, formerly fourth assistant postmaster general, who won prominence a few years ago by his activity in suppressing postal frauds.

### DEMOCRATIC GAINS.

Nevertheless Indiana Remains in the Republican Column.

Indianapolis, Nov. 7.—According to the latest returns received throughout the state, Indiana went about 30,000 Republican in yesterday's election. The Democrats gained two congressmen, one from the Eighth and one from the Eleventh district, making the delegation nine Republicans and four Democrats. Congressman John C. Chaney, Republican, in the Second district, has a plurality of about 200. The Twelfth district shows Clarence C. Gihms, Republican, elected, with a plurality of about 300. The Thirtieth district elected Congressman Abraham L. Brick, Republican, by a plurality of 2,500. These were the three districts in doubt. The legislature will be Republican on joint ballot by about thirty.

### CUMMINS PULLS THROUGH.

Democrats Pick Up a Couple of Congressmen in Iowa.

Des Moines, Ia., Nov. 7.—Returns in Iowa are still incomplete, but there is every reason to believe that Cummins will receive at least 20,000 plurality over Porter, Democrat. The early returns, received on election night were discouraging to the Republican managers, but they came from unfavorable districts, and all day today late reports continued to increase Cummins' lead. The Democrats concede that Cummins will have a plurality of 5,000.

Two of Iowa's congressmen will be Democratic, Tracy, Democrat, winning in the First district, and Hamilton, Democrat, in the Sixth. The Republicans will have a majority in the legislature of at least fifty on joint ballot, insuring the reelection of Jonathan P. Dolliver to the United States senate.

### LEGISLATURE WILL ELECT.

New Hampshire Failed to Elect a Governor Tuesday.

Concord, N. H., Nov. 7.—With seven towns still to be heard from, the returns from yesterday's state election indicate quite conclusively that the contest for the governorship will have to be settled in the legislature, the Republican candidate, Charles M. Fildes, having failed to secure a majority over the other two candidates.

Two returns from 25 of the 292 wards and towns of the state give Fildes, Republican, 39,948 for governor; Jameson, Democrat, 37,138; Tupper, Prohibitionist, 2,129; scattering, 873. This is a Republican loss from four years ago of 5,164.

With the same ratio of losses in the missing towns, Fildes, the Republican candidate, will fall short of a majority by at least 100 votes. The missing towns are very small.

### COMES AS A SURPRISE.

Democrats Elect Governor and Supreme Judge in North Dakota.

Fargo, N. D., Nov. 7.—"We concede the defeat of Governor Sarsby by Mr. Burke, his Democratic opponent, by a probable plurality of 2,300," said Chairman L. E. Hanna of the Republican state central committee, this evening. "We also concede the defeat of John Kauff, our candidate for judge of the supreme court, by Judge Fisk on the Democratic ticket, by a margin of 1,000. We think that the rest of the figures are regarded as extremely conservative."

### OKLAHOMA LANDSLIDE.

Democrats Elect 98 Out of a Possible 112 Constitutional Delegates.

Guthrie, Okla., Nov. 7.—According to the latest official count tonight in the election of constitutional delegates the Democrats will have at least ninety-eight representatives in the convention out of the possible 112, forty-nine from each territory. There is room even for increase in this lead over the opposition. The Democrats assured of only ten delegates, five from Oklahoma and five from Indian Territory. Two counties will be brought to the convention. One district is still in doubt and one successful candidate is an independent, allowing a possible 102 for the Democrats.

### DEMOCRATIC GOVERNOR.

Rhode Island Partially Redeemed Herself Tuesday.

Providence, R. I., Nov. 7.—James H. Hedges, Democratic candidate for governor, has a plurality of 1,238 over Governor George H. Utter, Republican. The Republicans elected the other members of their ticket. The defeat of Governor Utter is attributed in part to his attacks on General Brayton, the Republican leader.

### Sparks in Nevada.

Reno, Nev., Nov. 7.—Ten precincts in Washoe county give Bartlett, Democrat, for congress, 945; Smith, Republican, 892; Stibbitt, Republican, for governor, 700; Sparks, Democrat, 1,130. Three-fourths of the total vote in Goldfield gives Smith, Republican, for congress, 276; Bartlett, 322; Gardiner, 429; Sparks, 823; Mitchell, 294; Casey, Socialist, 97. Twenty-three precincts in eastern Nevada give Bartlett, 633; Smith, 633; Sparks, 732; Mitchell, 225. Republican victory for entire state ticket, with possible exception.

Majority for Statehood.

Albuquerque, N. M., Nov. 7.—Fairly complete returns from twenty-five counties give statehood a majority of 5,800. This majority may be increased somewhat by later returns.

### Sleep Slipped In.

Richmond, Va., Nov. 7.—Today's additional returns confirm last night's reports. The Democrats carried all the districts except the ninth. The Democratic-Sleep, Republican, is re-elected by a reduced majority.

### No Hope in Montana.

Butte, Nov. 7.—Up to 1 o'clock this morning complete returns had not been received from all the counties in the state, but it is conceded that at least two-thirds of the legislature will be Republican.

### Dairy and Food Commissioner's Report.

The Minnesota Dairy and Food Commission's analysis shows that Kennedy's Laxative Honey and Tar and Bee's Laxative Honey and Tar contained opiate and croton oil. Opiates are poisons and croton oil is a violent purgative. Refuse to accept any but Foley's Honey and Tar in a yellow package. Foley's Honey and Tar contains no opiates or dangerous drugs and is the best cough and cold cure. F. J. Hill Drug Co., "The never substitutes."

### REFUSES TO PROSECUTE.

William Farley, arrested under the name of William McFarley for the theft of a diamond stud from Frank Whitaker in a downtown saloon, was discharged from custody yesterday. The stolen stud was recovered by Whitaker and he declined to swear out a complaint against Farley.

ception of secretary of state, controller, superintendent of schools and state printer. The legislature will be divided, but the holdover state senators will be Republican.

MISSOURI IS SAFE.

Democrats Elect Twelve Out of the Sixteen Congressmen.

St. Louis, Nov. 7.—From nearly complete returns from all counties, the Democrats have carried the state by a plurality of 7,600, electing all candidates on the state ticket and twelve out of the sixteen congressmen. The Republicans elected congressmen in Kansas City and St. Louis, but lost all but one of the districts in the state which had been swept into the Republican ranks two years ago.

Latest Ohio Figures.

Columbus, O., Nov. 7.—Chairman Dick tonight reiterated his claim of a plurality of 75,000 for Carmi Thompson, Republican candidate for governor, out of state, although the committee has received complete returns from only fifty-nine out of the eighty-eight counties in the state.

Chairman Gardner of the Democratic state committee does not dispute Chairman Dick's figures, but he is claiming the election of five out of the twenty-one congressmen in the state, the late returns indicating a plurality of forty-eight for Sherman, the Independent, Democratic candidate in the Ninth district. Chairman Dick refuses to concede Sherman's election.

Gillett in the Lead.

San Francisco, Nov. 7.—At midnight returns were still very incomplete. Only 1,508 precincts out of a total of 2,471 in the state have been reported. These give Gillett, Republican, for governor, a plurality of 8,878. The figures on governor are: Gillett, Republican, 81,623; Bell, Democrat, 72,067; Langford, Independent, 29,580. Chairman Stone of the Republican state central committee tonight estimated Gillett's plurality at 20,000.

The Democratic committee is not yet ready to concede Gillett's election.

Sweeping Victory.

Omaha, Neb., Nov. 7.—Specials to the Bee from every county in the state show that the Republicans will have about two-thirds of each house of the legislature. This is a gain for the fusionists, who had but one member of the senate and nine of the house in the last legislature. The senate consists of thirty-three members and the house of 100. Norris Brown, Republican, will be elected senator to succeed Senator Millett. The legislature will stand: Republicans—Senate, 23; house, 68. Fusion—Senate, 4; house, 32.

Guggenheim's Victory.

Denver, Colo., Nov. 7.—So extensive was the scratching that no county in Colorado had made a complete return of its vote at 24 hours after the polls closed, and one-third of the counties had made no returns whatever. Sufficient returns have been received, however, to show the election of the entire Republican state ticket and of sixty to seventy of the 100 members of the legislature, insuring the reelection of a Republican to succeed United States Senator Patterson. On revised returns pluralities in Denver appear to be about 10,000 and in the state, 600 to 20,000.

Republican Victory.

Wheeling, W. Va., Nov. 7.—The complete returns from the different counties in West Virginia are coming in tonight and are increasing the size of the Republican victory. The total Republican majority for the state is about 15,000. The legislature is Republican by more than the majority in 1904, when it was fifty-seven on joint ballot.

Albuquerque, N. M., Nov. 7.—Fairly complete returns from twenty-five counties give statehood a majority of 5,800. This majority may be increased somewhat by later returns.

Sleep Slipped In.

Richmond, Va., Nov. 7.—Today's additional returns confirm last night's reports. The Democrats carried all the districts except the ninth. The Democratic-Sleep, Republican, is re-elected by a reduced majority.

No Hope in Montana.

Butte, Nov. 7.—Up to 1 o'clock this morning complete returns had not been received from all the counties in the state, but it is conceded that at least two-thirds of the legislature will be Republican.
